Translation for reference

In order to prevent the contamination of food with the virus and to avoid compromising food safety in the current COVID-19 epidemic situation, Bayerische Milchindustrie eG commits to:

Willing to comply with Chinese laws, regulations and standards and the "COVID-19 and food safety: guidance for food businesses" published by the Food and Agriculture Organization of the United Nations and the World Health Organization to ensure that food imported into China is not contaminated with the COVID-19 virus and to ensure the safety of food imported into China.

In the event that a new case/suspected case of COVID-19 is detected in a food enterprise, or if there is a risk of contamination of food products exported to China, we are willing to take all necessary measures to eliminate food safety risks and protect consumer health.

Hereby declared.
